Keep them on hand for early finishers, a fun station activity, for days when students have high-stakes testing in other classes or when we have stressful events in your building/class.Included in this product: ★ Word Search Puzzle ★ KeySe sure to check out my other United States Products!\*\*\*\*\*Page 2Oregon Trail Oregon Trail Reading Passage with Scaffolding QuestionsIncluded in this resource: ★ Cover Page★ Oregon Trail reading passage ★ 4 short answer scaffolding questions★ Interactive notebook pages Adheres to Social Studies Common Core Standards - research, application, literacy, vocabulary, analyzing documents and making conclusionsDifferentiation: cooperative (students may work in pairs/groups according to teacher's discretion for scaffolding questions)★★ Looking for the digital, 1:1 ver Overview In this experience, students interact with vocabulary words that they will encounter throughout Unit 5: Westward Expansion to 1850. Estimated duration: 30-40 minutes Vocabulary words: blockade canal demand expansion expedition free enterprise frontier impressment migration pioneer production settler supply territory Objective Learn vocabulary related to westward expansion. Once the United States had won its independence and adopted the Constitution, it began to develop as a nation. Americans turned their eyes westward, hoping to find land and natural resources. In this unit, you will learn about the westward expansion that occurred between 1800 and 1850. Objective Learn vocabulary related to westward expansion. The Pioneer Home of the Western Frontier, by Francis Palmer, ca. 1867 This lesson builds your vocabulary of words you will use in this unit. The words are: blockade: an act, usually during a war, to prevent people and goods from moving from place to place canal: a man-made river used for travel or shipping demand: in economics, the amount of a good or services that people ask to buy at a certain price expansion: the act of making something bigger expedition: a long trip, especially a difficult one, taken for a specific purpose free enterprise: an economic system with few government restrictions on the business activities and decisions of individuals frontier: a region or field of study that hasn't been widely explored or settled impressment: the act of forcing someone into military service migration: the movement of people or animals to another place pioneer: someone who is the first to do something, such as settle in an area or invent something totally new production: making goods in large quantities, especially in a factory, for them to be sold settler: someone who moves to a new region that has few residents supply: in economics, the amount of a good or services available for purchase in the market territory: the land and waters controlled by a government Let's start with the word expansion. The word combines three parts: prefix: ex-, meaning "out." Examples: exit, exhale, exterior root: pander, meaning "to spread or stretch" suffix: sion, making the word a noun Post a synonym for the word expansion. Post your answer Point out to students that the word expansion is a noun, so its synonyms should also be nouns. Sample answers: growth, spread, stretching, extension, enlargement, buildup When everyone is ready to continue, unlock the next scene.
